## Online International Workshop “Geometry of Continued Fractions: Ramanujan and his successors” 14-15 September 2020

Thank you so much for registering in the online International Workshop “Geometry of Continued Fractions: Ramanujan and his successors” 14-15 September 2020.

The main purpose of this workshop was to acquaint students and faculties (100 in number) with the idea of geometry of continued fractions. But due to overwhelming responses received from faculties and researchers from all over the world, the organizing committee decided to open it for the applicants around the world so that maximum number of participants can be benefited from the works of Ramanujan and his successors.

Due to online constraints, participants will have to follow the following instructions strictly:

### Important Instructions:

1. For the online video lectures of the workshop, **a Cisco Webex meetings link will be provided. Kindly download and install the Cisco Webex Application for participation in the Workshop.**
2. All the participants are requested to join the Workshop and watch the lectures by keeping themselves in silence (**mute state**) and **turning off the video mode**. Those who fail to do so may be immediately removed from the conference room.
3. Participants can ask questions only by typing in the chat box/comment and uploading it.
4. **Due to limited number of intake capacity of Cisco Webex, remaining participants will have to join the Workshop through live streaming on any of following portals:**
  - i. Facebook Live Streaming Link
  - ii. YouTube Channel Link
5. After the end of the Workshop, a Feedback Form will be provided on the Telegram Channel and University Website which will have to be filled and submitted by the participants.
6. The Feedback Form will require the information to be supplied on the basis of contents covered in the workshop. Only those who provide accurate information will be issued an e-certificate.
7. For latest updates regarding the workshop, kindly join the Telegram Channel: [https://t.me/International\\_Workshop\\_on\\_GOCF](https://t.me/International_Workshop_on_GOCF)
8. The updates can also be seen on the University Website: <http://www.cuhimachal.ac.in>
9. No further information will be provided to the participants through E-Mail. They have to visit the Telegram Channel and University website for this purpose.
10. For any assistance/help drop an email to [sachink.ddumath@hpcu.ac.in](mailto:sachink.ddumath@hpcu.ac.in) or [pankajthakur28.85@hpcu.ac.in](mailto:pankajthakur28.85@hpcu.ac.in)
