Vice-Chancellor's Report

I am happy to present the Annual Report of the University for the year 2012-13 with great deal of satisfaction. The Central University of Himachal Pradesh (CUHP) became functional with the assumption of charge by the first Vice-Chancellor on 20th January 2010. During the year under report, the University made significant progress on all fronts with the exception that the building construction work for the twin campuses of the University could not be undertaken, as the land identified for the two campuses of the University could not be transferred for want of FCA clearance. Proactive efforts were, however, made to complete the process of preparation of proposals for FCA clearance on priority basis and the elaborate procedure for preparation of proposals for FCA clearance for the land identified for the two campuses of the University including demarcation of boundaries, enumeration of trees, identification of land for compensatory afforestation, computation of the net present value of trees, documentation work, preparation of Master Plans, Geotechnical Investigation of the site and finally the recommendation and approval of the State Government for the FCA clearance was completed and the proposal was finally submitted to the Ministry of Environment & Forest on 26th November 2011.

In the meantime, the academic activities of the University are being run from Temporary Academic Block at Shahpur and administrative activities from the Camp Office located in Dharamshala. This is not a very comfortable arrangement but something is better than nothing and the University has been trying to make the best possible use of what is available to it. Encouraged by the response of applicants for the programmes launched during the previous academic sessions and also to make the fullest possible use of the facilities at the Temporary Academic Block, the University was offering 18 PG and 13 RD programmes during the academic year 2012-13.

The University had initiated the process of appointing faculty on regular basis, and during the year, the process continued through All India advertisement and by the duly constituted selection committees. Following the approval of the University Grants Commission (UGC) for 140 faculty positions across 20 different disciplines, the University created 126 faculty positions (18 Professors, 36 Associate Professors and 72 Assistant Professors) across 18 disciplines. As on date, the University has 71 Full-time faculties. The process for filling up the balance vacant positions is already on.

Committed to academic reforms, the University has developed innovative curricular framework and has been implementing a Choice Based Credit System (CBCS) and Comprehensive Continuous Internal Assessment (CIA), whereby every student admitted to any programme of studies is required to accumulate 30 percent credits from other Departments/Schools. All programmes of studies have been made modular permitting mid-course entry and lateral entry within a specified period of time. The Research Degree Programmes are remarkably innovative whereby all research scholars are required to earn credits through teaching assistantship and publications besides thesis and dissertation. These ideas were conceptualised in the Vision Document and Strategic Plan of the University, which was developed in consultation with eminent educationists and experts within four months of the first Vice-Chancellor assuming charge. These ideas have since been operationalised through framing of required Statutes and Ordinances.

Conscious of its responsibility to create a culture of excellence, the University has been proactively promoting merit, objectivity and transparency in all its decision making processes to enthuse confidence amongst all the internal and external stakeholders. The Act, the Statutes and Ordinances and also the minutes of meetings of all the statutory bodies of the University - the University Court, the Executive Council, the Academic Council and the Finance Committee - are uploaded on the University Website (www.cuhimachal.ac.in). The University encourages submission of applications for admissions and jobs online. Prospectus and Application forms for admission can be downloaded free of cost and candidates can apply online. The selection process for teaching and non-teaching positions has been made equally

transparent; the criteria and parameters of selections including API requirements have been widely publicised; list of applicants along with their scores in different parameters are published on the website inviting request from applicants for correction etc. to minimise errors and omissions; the list of short-listed candidates and the criteria on which short-listing was made are also put in public domain. These are time-consuming processes requiring painstaking work by a small number of staff but they are being meticulously implemented with the sole objective of promoting merit.

While teaching is to remain the primary focus and mainstay, particularly in the formative years of the University when the number of teaching staff is limited, a conscious effort has been made to promote culture of research, publications and participation in seminar/symposia/conference etc. by creating an enabling environment, conducive working conditions and through regular communication and interaction. It gives me pride to report that faculty members, particularly the young Associate Professors and Assistant Professors of the University presented papers/chaired sessions/delivered keynote addresses, special lectures and invited talks in seminars, conferences and workshops ; and published papers in journals, many of repute.

It also gives me immense pleasure and satisfaction to report that the 1st Annual Convocation of Central University of Himachal Pradesh was also successfully held during the year on 28th February 2013 in which 115 students of first passing out batch received their degrees. Luminary guests, H.H. the Dalai Lama and Hon'ble Chancellor, Sh. Arun Maira graced the convocation ceremony, blessed with their wise words and conferred the students with their degrees. 06 meritorious students were also awarded with Gold Medals.

This report basically reflects the outcome of efforts made by many faculty members who worked overtime with dedication and passion for the University and I would like to put on record my appreciation to each one of them. I would also like to place on record my appreciation of the UGC and MHRD, all their officers, for extending support and co-operation in the development of the University. I shall be failing in my duty if I do not recognise and appreciate the support and cooperation that the University received from the State Government and District Officials. Special thanks are due to all the members of the University Authorities (University Court, Executive Council, Academic Council and Finance Committee) for giving their valuable time for the meetings and also for their guidance and encouragement. Special thanks are also due to the Pro-Vice-Chancellor, Registrar & Finance Officer of the University for their untiring efforts.

About The University

GENESIS & ESTABLISHMENT OF THE UNIVERSITY

The Prime Minister of India in his address to the nation on August 15, 2007, announced the establishment of a Central University in each of the states that did not have a Central University so far. Subsequently, 11th Plan provided for the establishment of 16 new Central Universities. Accordingly, the Central Universities Act 2009 (No. 25 of 2009) which received Presidential assent on 20th March 2009 provided for the establishment of Central University of Himachal Pradesh amongst others. The Central University of Himachal Pradesh is established under the Central Universities Act 2009 (No. 25 of 2009) enacted by the Parliament. The University is funded and regulated by the University Grants Commission (UGC).

COMMENCEMENT OF OPERATION

The University became functional with the assumption of charge by the first Vice-Chancellor on 20th January 2010. While development of own infrastructure of the University may take some time, the University has developed an ambitious Vision Document evolved in consultation with eminent experts in the field of education. The Vision Document and Strategic Plan of the University as approved by the statutory authorities of the University are available on the website of the University (www.cuhimachal.ac.in). Accordingly, in due course of time, the University will grow to have purpose built, state of the art 150 Acres campus in Dharamshala, and 900 Acres campus in Dehra and will have seventeen Schools of Studies with nearly 90 Departments of Studies and about 50 Centres of Studies.

- E-governance shall be introduced with an effective management information system.

LOCATION OF THE UNIVERSITY

● HEADQUARTERS OF THE UNIVERSITY

The Headquarter of the University is to be located at Dharamshala, District Kangra, Himachal Pradesh. Serene location and pleasant climatic condition provide an attractive ambience conducive to academic pursuits.

● PERMANENT CAMPUSES

The University will have twin campuses: Beas Campus which shall be located in Dehra and have bulk of infrastructure accommodating about 70 percent of the academic activities and infrastructure. Dhauladhar Campus which shall be located in Dharamshala and will house about 30 percent of the academic activities and infrastructure.

● TEMPORARY CAMPUSES

Camp Office: The Camp Office of the University is presently located in the Sanskriti Sadan (Writers' Home) at Dharamshala (Near International Cricket Stadium).

Temporary Academic Block (TAB): The Temporary Academic Block of the University is located in a newly constructed College building at Shahpur, District Kangra allotted to the University by the State Government. Purpose-built, it is an eye-catching spacious three-storeyed building located amidst picturesque surroundings. Adequate to cater to the present needs of classrooms, labs, faculty and students; it may provide inspiring space for academics. Large open space surrounding the building could provide facilities for outdoor games and sports.

UNIVERSITY LOGO

Based on the entries received in response to the Logo Competition organised by the University, the Expert Committee constituted by the University selected and finalised the following Logo for the University. The Logo was contributed by Shri Akshay Khatri, from the M.S. University, Baroda.

The Logo is a combination of typographical and visual depiction showing identity of the University and denotes education, empowerment and environment of the University. Colours used in the Logo indicate:

- Blue stands for education and empowerment;
- Green symbolizes growth and environment;
- Orange signifies spread of knowledge by the University.

Further, the Logo also highlights scenic natural beauty of Himachal Pradesh and the simplified design can be easily represented in any media.

Hon'ble Visitor of The University

President of India
Smt. Pratibha Devisingh Patil
(25 July 2007 to 25 July 2012)

As per the Central Universities Act 2009,
the President of India is the Visitor of the University.

Smt. Pratibha Devisingh Patil was born on December 19, 1934 in Nadgaon village of Jalgaon District, Maharashtra. Smt. Patil assumed office as the twelfth President of India on July 25, 2007. She is the first woman to have been elected to this august office. Immediately prior to election as the President of India, Smt. Patil was the Governor of Rajasthan from November 8, 2004 till June 21, 2007.

Education: Smt. Patil received her early education from RR Vidyalaya, Jalgaon and later obtained her Master's degree in Political Science and Economics from the Mooljee Jetha College, Jalgaon. Later, she obtained the degree of Bachelor of Law (LL.B.) from Government Law College, Bombay (Mumbai). While in college, she took active part in sports, excelled in table tennis and won several shields at various inter-collegiate tournaments. Even as an MLA, she pursued her studies as a law student.

Professional Career: Smt. Patil started her professional career as a practicing lawyer at the Jalgaon District Court and simultaneously devoted herself to various social activities, especially, for the upliftment of poor women.

Hon'ble Visitor of The University

As per the Central Universities Act 2009,
the President of India is the Visitor of the University.

Shri Pranab Mukherjee assumed office as the thirteenth President of India on July 25, 2012, crowning a political career of over five decades of exemplary service to the nation in Government as well as Parliament.

A man of humble origins, Shri Mukherjee was born in the small village of Mirati in Birbhum District of West Bengal as son of freedom fighters, Shri Kamada Kinkar Mukherjee and Rajlakshmi on December 11, 1935. Shri Mukherjee's father was a Congress leader who endured great hardships including being sent to jail several times for his role in India's struggle for independence.

President of India
Shri Pranab Mukherjee
(From 25 July 2012)

Education: Shri Mukherjee acquired a Master's degree in History and Political Science as well as a degree in Law from the University of Kolkata. He then embarked on his professional life as a college teacher and journalist. Inspired by his father's contribution to the national movement, Shri Mukherjee in 1969 plunged into full time public life following his election to the Upper House of the Parliament (Rajya Sabha).

Professional Career: Shri Mukherjee is a man of unparalleled experience in governance with the rare distinction of having served at different times as Foreign, Defence, Commerce and Finance Minister. He was elected to the Upper House of the Parliament (Rajya Sabha) five times since 1969 and twice to the Lower House of the Parliament (Lok Sabha) since 2004. He was a member of the Congress Working Committee, the highest policy making body of the Party for a period of 23 years. Shri Mukherjee was made Deputy Minister, Industry, Shipping and Transport, Steel and Industry and Minister of State for Finance in the period 1973-74. He assumed office as Finance Minister of India for the first time in 1982 in the Cabinet of Prime Minister Smt. Indira Gandhi and was Leader of the House in the Upper House of Parliament (Rajya Sabha) from 1980 to 1985. Later, he was Deputy Chairman of the Planning Commission from 1991 to 1996, Minister for Commerce from 1993 to 1995, Minister of External Affairs from 1995 to 1996, Minister of Defence from 2004 to 2006 and once again the Minister of External Affairs from 2006 to 2009. He was the Minister of Finance from 2009 to 2012 and Leader of the Lower House of Parliament from 2004 to 2012 till he resigned to contest election to the office of the President.

The Finance Officer of the University is the Ex-officio Secretary of the Finance Committee but he is not a Member.

Three meetings of the Finance Committee i.e. on 10.4.2012, 09.06.2012, and 15.01.2013 were held during the year.

The 7th meeting of Finance Committee, CUHP in progress.

Developments since Inception

The University came into operation w.e.f. 20th January 2010 i.e. the day when the first Vice-Chancellor joined the University. Keeping in view the broad physical and academic architectural framework, the University started its activities to fulfil its objectives. The progress made so far/targets achieved during the years 2009-10 to 2012-13:

PHYSICAL FACILITIES AND ACADEMIC INFRASTRUCTURE DEVELOPED SO FAR

Land & Building for Permanent Campuses: The Development and Construction work at the permanent campuses of the University has not commenced as yet. It shall be taken up only after the land for the two campuses is transferred to the University. However, the University has got the Master Plans for both the campuses ready. Also the geo-technical and hydro investigation of the identified land has been done. Simultaneously, the University has obtained approval of the competent bodies to appoint RITES as the Project Management Consultants. While the process of appointment of architects for designing of the planned buildings shall commence soon, the actual construction and development work including the construction of boundary walls can be taken up only after the FCA clearance has been obtained and the land has been transferred to the University. A serious endeavour of the University was to take possession of land for permanent campuses of the University. In this regard the following landmarks were achieved:

- After having identified the land from the State Government for both the campuses in Dharamshala and Dehra, necessary demarcation of the land and paper work/documentation for the transfer of land for both the campuses has been got completed from the Revenue Department.
- Boundary Pillars on the land allotted for Dharamshala site has already been got erected through the state PWD. As regards boundary pillars for the Dehra site, the matter is being pursued with the district administration.
- The Forest Department has completed the enumeration of trees and identification of land for compensatory afforestation for both the campuses. In order to facilitate and expedite the work, the University engaged the services of a Consultant and had given sanction for the

expenditure to be incurred on the enumeration of trees and preparation of proposals/documents for FCA clearance.

- Since the proposal for FCA clearance also required the site plan, master plan and geo-technical survey etc, the University has engaged EdCil as Consultant and most of the work has been completed.
- The major bottlenecks as to who shall sign the proposal for FCA clearance as the User Agency and consequently bear the expenses (amounting to approximately Rs. 60 Crores) with regard to FCA clearance (NPV of trees and cost of compensatory afforestation) have also been sorted out with the State Government.
- A few other critical issues regarding the land such as ensuring contiguity of land and ensuring that the land transferred is free from any encumbrance are also being taken up with the State Government and are likely to be resolved shortly.
- The proposals for FCA clearance have already been cleared by the State Govt. and have been forwarded to the Ministry of Environment and Forests, Govt. of India.
- In view of the above, it is hoped that the FCA Clearance, a pre-requisite for the transfer of land to the University for both the Campuses, is likely to be received shortly.
- Hopeful that the FCA clearance would be received and the land would effectually be transferred, the University has taken steps for appointment of Project Management Consultant (PMC) so as to be ready with plans for taking up construction and development of the permanent campuses, immediately after taking possession of the land.

CONSTRUCTION OF BUILDING & CAMPUS DEVELOPMENT

The Development and Construction work has not commenced yet for want of transfer of land and taking possession thereof by the University. However, the University has got the Master Plans for both the campuses. Also the survey, geo-technical and hydro investigation of the identified land have also been got done. Simultaneously, the University has obtained approval of the competent bodies to appoint RITES as the Project Management Consultants. While the

process of appointment of architects for designing of the planned buildings is in hand, the actual construction and development work including the construction of boundary walls is expected to be taken up immediately after the FCA clearance is received and the land is physically transferred to the University.

TEMPORARY ACCOMMODATION

- **Camp Office:** Sanskriti Sadan, (Writers' Home) belonging to the Department of Art & Culture of the Government of Himachal Pradesh, was allotted, on rent basis, by the State Government to the Central University of Himachal Pradesh for the residence-cum-office of the Vice-Chancellor. As no other building could be made available for setting up office of the University in Dharamshala, the University has set up its Camp Office in this building. The Camp Office is fully functional with modular furniture and has such facilities as office of the Vice-Chancellor, four chambers for senior officers of the University, fully-equipped Board Room for meetings etc, eight cubicles for office staff, store room, pantry and reception, 24 lines EPBAX, multimedia projector, photocopier, 19 PCs, 02 MBPS internet connectivity with Local Area Network (LAN) and WiFi.

- **Temporary Residence of the Vice-Chancellor:** A residential building was hired on rent as assessed by the state PWD and has been functionally furnished for the residence of the Vice-Chancellor.
- **Temporary Hostels for Boys and Girls:** The University has hired 110-boarders Boys Hostel at Kangra by-pass and 45 boarders Girls Hostel at Lower Barol, Dari, Dharamshala.
- **Temporary Academic Block:** An institutional building (a newly constructed government college building at Shahpur, near Dharamshala) was allotted by the State Government for establishing temporary campus of the University. This is adequate and suitable for the programmes of studies started by the University. With the help of District Administration, University has arranged for the water supply and electricity to the campus on priority basis. It is located at a distance of 30 kms. or about 45 minutes from Dharamshala. The building with a built-up area of over 80,000 sq ft, the Temporary Academic Block has been furnished with modular furniture. Facilities created and available in the Temporary Academic Block are given in **Table 1**.

Recruitments and Appointments

STATUTORY OFFICERS

The positions of first Registrar and first Finance Officer were advertised, interviews held, selections were made, and these positions were filled up during 2010-11. The post of first Registrar was advertised for the residual period of first Registrar i.e. up to 30.03.2014 because of vacancy arisen w.e.f. 10.07.2012 on resignation of the first Registrar. The Selection Committee held for selection of first Registrar for the residual period and the joining of the candidate approved by the Visitor from the panel recommended by the Selection Committee is under process.

TEACHING FACULTY

The University Grants Commission had sanctioned a total of 140 faculty positions across 20 different Departments in the ratio of 1:2:4. of these the University created 126 faculty positions in 18 different Departments / Centres across 11 Schools. During the year 2009-2010 the University had appointed 4 Professors on deputation from other Universities and had appointed 13 Assistant Professors on contractual basis. During 2010-2011 the arrangement was continued and at the same time, all the sanctioned and created faculty positions were advertised. During 2011-12 & 2012-13, the University held Selection Committees for appointment on regular basis for all the 54 advertised posts of Professors and Associate Professors and 06 Professors and 14 Associate Professors had joined during 2012-13. One Professor and one Associate Professor resigned from the University leaving a total of 05 Professors and 13 Associate Professors as on 31.03.2013. During 2012-13, the Selection Committees for 68 positions of Assistant Professors against all 72 advertised positions

were held and 57 selections were made, out of which 47 Assistant Professors have already joined the University as on 31.03.2013. The process for selection and advertisement of all vacant teaching positions is at an advanced stage.

ADMINISTRATIVE / NON-TEACHING STAFF

51 positions of academic and non-teaching staff were created with the approval of the Academic Council and Executive Council and concurrence of the University Grants Commission, besides the Registrar, Finance Officer and Controller of Examination, which are statutory positions. While the selection for the post of first Registrar and first Finance Officer was made in 2010-2011, during 2011-2012 & 2012-13, the University held Selection Committees for appointment on regular basis against sanctioned posts and the posts advertised during this period and 28 selections were made out of which 20 persons have joined the posts. The process for filling up the vacant positions advertised during 2011-12 & 2012-13 is at various stages of implementation.

OUTSOURCING OF SERVICES

The University Grants Commission approved upto 50 persons for support service through outsourcing against which 50 persons were engaged during the year.

ENGAGEMENT OF MEDICAL CONSULTANTS

The University has advertised two positions of Medical Consultants to be filled up on purely short-term contract basis on fixed remuneration.

Vision Document and Strategic Plan

University is ready with its Vision Document detailing academic architecture, curricular framework, programme of studies, admission & fee policy, governance & administration, faculty & manpower requirements, campus layout, physical architecture, phasing and roll out plan. The Vision Document was thoroughly discussed in a two-day brainstorming session organised in Shimla with eminent educationists, educational planners & administrators and institution-builders as participants. Based on the suggestions and comments received during the brainstorming session, the document was revised. The revised document as approved by the Academic Council and Executive Council of the University was submitted to the UGC/MHRD. The Vision Document and Strategic Plan as developed and approved by the University encompassed the following aspects of the University:

- Vision, Mission, Objectives & SWOT Analysis (Genesis, Location, Territorial Jurisdiction, Vision, Mission, Objectives, Salient Features, Action Plan and SWOT Analysis)
- Academic Architecture of the CUHP (Academic Organisation, Schools, Departments and Centres of Studies)
- Curricular Framework & Programme of Studies (Curricular Framework comprising Guiding Principles, Learner-Centred Approach, Holistic Approach to Higher Education, Focus on In-depth-Learning, Linked to Research & Scholarship, Based on Feedback, Evaluation & Review, Choice-Based-Credit System, Based on

Total Learning Outcome (TLO), Evaluation based on Total Students Efforts (TSE), Assignment of Credits, Course Catalogue, Detailed Course Outline; Programme of Studies comprising Standard UG/PG/RD Programmes, Innovative Multidisciplinary, Modular Programmes, Innovative UG Programme, Innovative PG Programme, Innovative RD Programme, Computation of Credits for Publication Works, Computation of Credits for Teaching Assistantships, Examination, Assessment & Evaluation, Grading System, Award of Degrees

- General Policies Pertaining to Admission, Fee, Governance & Administration (Admission Policy-Talent Search, Full-time and Part-time Programmes, Fee Policy & Fee Structure, Governance & Administration, ICT, IT Integration & ERP, Outreach Programme & Community Networking)
- Faculty & Manpower Planning (Faculty Requirements, Strategies for attracting Quality Faculty, Administrative, Non-teaching and Support Staff)
- Physical Architecture (Guiding Principles, Zoning & Campus Layout, Physical Infrastructure)
- Financial Implications, Phasing & Roll Out Plan (Gross Financial Requirements for Capital Investment, Phasing & Roll Out Plan, Possibility of PPP in Infrastructure Development, Gross Annual Recurring Expenses, Annual Outflow of Recurring Expenses, Cost Recovery & Other Sources of Income, Strategies for Development)

Gradually but in a time-bound manner, the Vision and Strategic Plan of the University are being translated into action through framing of Statutes, Ordinances and Regulations. So far, the University has framed 5 Statutes and 44 Ordinances with the aim of translating the vision into action.

Framing of Statutes and Ordinances

FRAMING OF THE STATUTES

The University took painstaking steps for framing the required Statutes for the smooth functioning of the University. It is a long-drawn process and requires meticulous work. However, the University was able to draft several Statutes and obtain approval of the Visitor. So far, the following Statutes of the University have been framed, with the approval of the Academic Council and Executive Council and after getting the assent of the Visitor of the University:

Sl. No.	STATUTE	TITLE
FRAMED, APPROVED AND NOTIFIED UPTO YEAR 2012-2013		
1.	16(4)	Appointments of Heads of Departments
2.	16(5)	Appointments of Directors of Centres
3.	40	Establishment of Schools, Departments and Centres of Studies
4.	41	Constitution of Planning and Monitoring Board
5.	42	Appointment of Dean of Students' Welfare as an Officer of the University

PREPARATION OF THE ORDINANCES

The Central Universities Act 2009 read with the first Statute requires the University to draft its first Ordinances for all matters for which the Act and the Statutes mandate framing of the Ordinances. Framing of the Ordinances was an arduous task, particularly because the University had envisioned to become innovative in its academic programmes, curricular framework, examination system etc. However, in a short span of time, the following Ordinances were framed and notified with the approval of the Academic Council and Executive Council:

Schools, Departments and Centres of Studies as approved under Statute 40

Based on its Vision Document, the University framed Statutes and Ordinances for the establishment of Schools, Departments and Centres of the Universities. The University proposed to establish 17 Schools comprising large number of Departments and Centres. While the approval of three Schools and their Departments and Centres were deferred, the Hon'ble Visitor approved 14 Schools and their Departments and Centres. A list of the Schools and their Departments & Centres as approved under the Statute is given in Table 2.

Schools, Departments and Centres of Studies Activated upto 2012-2013

During the 11th Plan, the University Grants Commission approved for the activation of a maximum of 20 Departments/Centres of Studies in universities. Accordingly, it sanctioned 140 faculty positions in the ratio of 1:2:4. Keeping in view the constraint of physical facilities and infrastructure, the University activated 18 Departments/Centres across 11 Schools and started 18 PG and 13 RD Programmes. List of the Departments/Centres in different Schools as activated upto 2012-13 is given in **Table 3**.

Curricular Framework

ADMISSION BASED ON SINGLE COMMON ENTRANCE TEST

The University has introduced aptitude-based common entrance examination for admission in all its Programmes of Studies. Candidates seeking admission in the University are required to fill up only a single admission form indicating their preference of Programmes of Studies and are required to take only one entrance examination. Accordingly, the University has introduced:

- **HEAT (Higher Education Aptitude Test)** as a single common entrance test for admission in undergraduate programmes across all disciplines;
- **FEAT (Further Education Aptitude Test)** as a single common entrance test for admission in postgraduate programmes across all disciplines ;
- **TREAT (The Research Entrance Aptitude Test)** as a single common entrance test for admission to MPhil/PhD programmes across all disciplines.

INNOVATIVE PROGRAMMES & CURRICULAR FRAMEWORK

Guided by the reforms agenda in higher education and learning from the experiences of the best universities of the world, the University has introduced a number of innovations, as detailed below:

Semester-based Academic Calendar: All academic programmes of the University - Undergraduate (UG), Post Graduate (PG) and MPhil/PhD i.e. Research Degrees (RD) - are based on semester system, designed at par with global practices in terms of effective number of teaching days and teaching-learning inputs.

Programmes based on Comprehensive Choice Based Credit System: The University has introduced Comprehensive Choice Based Credit System (CCBCS) largely on the lines of the best universities of the world.

Programmes of Studies are defined in terms of Credits: As opposed to papers/courses in the conventional system, a student is required to accumulate:

- a) 120 UG Credits to earn a UG degree
- b) 80 PG Credits to earn a PG degree
- c) 60 RD Credits to earn an MPhil degree
- d) 120 RD Credits to earn a PhD degree

Students Mobility and Credit Transfer: The University has designed a framework to facilitate credit accumulation by its students from other recognised universities of India and abroad. The University has developed a structured mechanism to work out the equivalence and accept the transfer of credits earned by its students from other universities as per the relevant Ordinance of the Central University of Himachal Pradesh.

Innovative approach in designing Programmes of Studies: Department of Studies would not design Programmes of Studies as such. Instead, they would just (a) design and offer courses based on the expertise and specialisation of their faculty members; (b) specify pre-requisites and co-requisites for each course offered; and (c) guide the students to make their own basket of courses to accumulate the required credits to complete their Programme of Studies. Thus, the focus is on 'learner-centred approach (as opposed to the conventional 'teacher-centred approach') to accommodate learner's needs and expectations to have wider choices in content, mode and pace of learning.

Computation of Credits based on a Holistic Approach to Learning: In the Central University of Himachal Pradesh, one credit is defined as equivalent to the Total Student's Effort (TSE) of 30 hours comprising:

- (a) 10 hours of lectures/ organised classroom activity/contact hours;
- (b) 5 hours of laboratory work/ practical/field work/tutorials/teacher-led activities; and
- (c) 15 hours of other workload such as independent individual/ group work; obligatory/ optional work placement; literature survey/ library work; data collection/ field work; writing of papers/ projects/ dissertation/ thesis; seminars, etc. Thus, the focus is on in-depth learning driven by intrinsic curiosity and mastery of the subject by balancing the taught content with independently self-directed learning.

All Programmes of Studies to be Modular: All Programmes of Studies in the University are designed as modular with exit and lateral entry option. While most students may want to complete their UG/PG/RD without any break, some may opt out of the Programme of Studies mid-way due to their own personal compelling reasons. The University, therefore, provides a structured

framework for students to opt out mid-programme, whereby, depending on the extent of time spent on campus and credits accumulated by them, they will be awarded certificate / diploma / advanced diploma. For instance, if any student wants to quit studies after two semesters, he/she can do so and would be awarded an appropriate Certificate/Diploma/Advanced Diploma and can rejoin his/her studies from this point within two years again. Thus:

A student admitted to UG Programme may get:

- Certificate (if opts out after 2 Semesters with 40 UG Credits);
- Diploma (if opts out after 4 Semesters with 80 UG Credits);
- Bachelor's Degree (if stays on to complete full 6 semesters with 120 UG Credits).

A student admitted to PG Programme may be conferred:

- Advanced Diploma (if opts out after 2 semesters with 40 PG credits);
- Master's Degree (if stays on for full 4 semesters with 80 PG credits).

Besides, those who thus opt out would be eligible to join laterally to complete and earn their degree, if they return to the University within the next two years.

All Programmes of Studies to be Multi-disciplinary/ Inter-disciplinary: While Departments of Studies of the University are designed around basic disciplines (to enable faculty members to continue to focus on their specialised areas of research), each Programme of Studies of the University is multi-disciplinary as the student is empowered to accumulate required number of credits from a wide variety of courses offered throughout the University (e.g. a student will be entitled to learn mathematics with music, physics with philosophy, technical courses with humanities and so on). Accordingly:

- a. At PG level, a student would be required to accumulate:
 - 70% Credits through Department wide courses
 - 30% Credits through University wide courses
- b. In case of PG Programmes offered by the School of Business and Management Studies, a student would be required to accumulate:
 - 30% Credits through Department wide courses

- 40% Credits through School wide courses
- 30% Credits through University wide courses

All Programmes to be based on Comprehensive Continuous Internal Assessment: Students in all Programmes of Studies across disciplines and at all levels shall be assessed through comprehensive continuous internal assessment based on quizzes, assignments, independent works, group works, mid-terms and end-semester examination. As a general principle, the Comprehensive Continuous Internal Assessment shall comprise the following components:

- | | |
|----------------------------------|-----|
| ■ Continuous Internal Assessment | 25% |
| ■ Mid Term Examination | 25% |
| ■ End Term Examination | 50% |

All Programmes of Studies to have Grading System:

The University shall have grading system based on Six (6) point scale of evaluation of the performances of students in terms of marks, grade points, letter grade and class. The total performance of a student within a semester and continuous performance from the second semester onwards shall be indicated by the (a) Grade Point Average (GPA); (b) Weighted Average Marks (WAM); (c) Cumulative Grade Point Average (CGPA); and (d) Overall Weighted Percentage Marks (OWPM).

Innovative Research Degree Programmes: The University has rigorous full-time Research Degree (RD) Programmes that aim at honing the research skills, grooming teaching abilities, producing quality research publications and proactive participation in seminars and conferences. Accordingly, the award of RD requires a student to accumulate credits through course work, teaching assistantship, published work and dissertation/ thesis. The duration and credit requirements for MPhil and PhD Programmes are as under:

- a) **For MPhil:** For successful completion of the RD Programme leading to the award of the MPhil degree, a student shall be required to accumulate a total of 60 RD Credits as under:

■ Course Work:	20 Credits
■ Dissertation:	20 Credits
■ Publications:	10 Credits
■ Teaching Assistantships:	10 Credits
- b) **For PhD:** For successful completion of the RD Programme leading to the award of the PhD degree,

a student shall be required to accumulate a total of 120 RD Credits as under:

- Course Work: 20 Credits
- Dissertation: 60 Credits
- Publications: 20 Credits
- Teaching Assistantships: 20 Credits

- c) A candidate admitted to the Research Degree (RD) Programme is required to complete the prescribed course work in the first two Semesters of his/her admission. Notwithstanding the maximum prescribed duration of the Research Degree Programme, if a candidate fails to complete the prescribed course work in two semesters, his/her admission shall be cancelled and his/her name shall be removed from the rolls of the University. Provided further that no candidate admitted to the Research Degree Programme shall be permitted to proceed with the Dissertation work till such time he/she completes the prescribed course work.
- d) Immediately upon the completion of formalities for admission to the Research Degree Programme, each candidate is required to submit in writing, on the prescribed format, as to whether he/she wishes to pursue the MPhil or the PhD Degree.
- e) In case a candidate admitted to the Research Degree Programme holds MPhil degree from this University or other Universities, the Credit requirements for course work, publication and teaching assistantship may be adjusted accordingly. Such candidates will, however, be required to complete the full 60 RD Credits for dissertation work along with the balance of the credits for the course work, publication work and teaching assistantship.

f) Computation of Credits for Publication Work: Computation of Credits for Published Work for MPhil and PhD degree is to be made as under:

- 2 credits for each popular article published / paper presented in national seminars / conferences/ workshops;
- 4 credits for each paper presented in international seminars/ conferences/ workshops;
- 5 credits for each paper in approved refereed national journal;
- 10 credits for each paper in approved refereed international journal;
- Each Department / Centre registering candidates for RD Programme shall be required to maintain an updated list of approved journals for publication.

g) Computation of Credits for Teaching Assistantships: Computation of credits for Teaching Assistantships for the MPhil and PhD degree is to be made as under:

- 10 credits for independent teaching of a one-semester course of two credits;
- 5 credits for shared teaching of a one-semester course of two credits;
- 1 credit for every 3 hours of involvement in assessment, evaluation, examination, course development, development of reading lists etc. (supervisor concerned to audit the workload claimed under this category and certify).

Enrolment of Students and Faculty & Staff

Despite the fact that the University commenced its operation with limited physical facilities and infrastructure, it was able to attract large number of applications for most of its programmes of studies. While granting admission to students, the University has followed the reservation policy of the Government of India in all its Programmes of Studies. The University has a total of 659 students on its rolls as on 31.3.2013. It has adopted the guidelines of the University Grants Commission and the Ministry of Human Resource Development for giving reservation to the SC/ST and OBCs. The programme-wise and category-wise position of the student enrolment during the years 2010-11/2011-12 & 2012-13 is given in **Table 4 & 5**.

National and International Linkages and Collaborations

MoUs WITH PREMIER INSTITUTIONS:

The University has started programmes of studies in various disciplines and in order to provide best opportunities to its students, it has entered MoUs with premier higher educational and research institutions and government and state level bodies/ authorities/ boards.

MoU WITH TBRL, CHANDIGARH

An MoU was signed between the Terminal Ballistics Research Laboratories (TBRL), Chandigarh and the Central University of Himachal Pradesh, Dharamshala to establish cooperative arrangements towards strengthening Indian Higher Education and Research through mutual understanding, exchange of information and facilities as well as expertise available at CUHP in the School of Physical and Material Sciences and TBRL. TBRL is part of the Defence Research Development Organisation (DRDO) under the Ministry of Defence, GOI. This is an effective measure to establish Defence – Academia Partnership for Research and Development as well as for Human Resource Development. This MoU will remain in force up to five years i.e. 2018 and it can be extended further on mutual agreement. As a part of the MOU, research programmes and conferences of mutual interest shall be taken-up jointly. This agreement enables to launch courses in emerging fields, which may be equally useful to TBRL for its ongoing R & D programmes. Such an effort will create opportunities for undertaking research in cutting-edge technologies in critical defence areas. The facilities of TBRL will be extended to carry out research and project work for PG, M. Phil. and PhD programmes.

MoU WITH IHBT, PALAMPUR

A Memorandum of Understanding (MoU) on Collaboration in Higher Education and Research was signed between the Central University of Himachal Pradesh (CUHP) and Institute of Himalayan Bio-Resource Technology (IHBT), Palampur on March 21, 2013 at the University Temporary Academic Block in Shahpur. The two institutes resolved to initiate collaborative research and development programmes in the areas of Computational Biology, Bioinformatics, Environmental Sciences and Biological Sciences. Students of CUHP too would benefit from collaborative

projects and activities aimed at academic exchange and joint research.

MoU WITH INFLIBNET

An MoU has been signed with the INFLIBNET to facilitate research scholars of the University to submit their theses into “Shodhganga: A Repository of Indian Electronic Theses and Dissertations”, which inter alia, entitled the University to access all resources that UGC may provide either directly to the universities or through INFLIBNET Centre in terms of digitisation of backfiles of theses or access to software tools to deter plagiarism in theses and dissertations. The MoU with INFLIBNET will also facilitate researchers to submit their synopses into “Shodhgangotri: Repository of Indian Research in Progress”. In time, ETDs would become more commonplace, grant-giving agencies and accreditation bodies like NAAC and AICTE would make judgements regarding innovative universities by taking note of these initiatives such as ETDs and IRs.

The MoUs of Central University of Himachal Pradesh with following Institutions/Organisations are at various stages and likely to be signed very soon:

COLLABORATION WITH THE CENTRAL GROUND WATER BOARD

The Central Ground Water Board, which also has certain facilities in District Kangra, beside its activities throughout the country, has agreed to extend/offer its services to the Central University of Himachal Pradesh in the area of Environmental Sciences.

FACULTY RECHARGE SCHEME OF THE UGC

The UGC, under its scheme “Strengthening of Basic Science Research” coordinated by the MHRD/UGC Empowered Committee, has launched the “UGC Faculty Recharge Programme” as an innovative means of providing high quality faculty with proven flair for research and teaching. These positions shall be at the level of Assistant Professor, Associate Professor and Professor in basic sciences, viz., Physics, Mathematics, Chemistry, Biology, Engineering and Earth Sciences. This scheme has been designed to induct fresh talent and augment faculty resources in Indian Universities which are presently facing severe shortage of faculty. Under the scheme, the UGC has planned to induct

1000 faculty at the national level to enable the Universities to rejuvenate their faculty resources. The 'Faculty Recharge' positions shall initially be for tenure of five years. To take this advantage the Central University of Himachal Pradesh is in process of entering into an MoU for meeting its requirements for qualified faculty as Professor, Associate Professor and Assistant Professor in Basic Sciences.

FULBRIGHT - NEHRU VISITING PROFESSOR

Under the Fulbright–Nehru Visiting Lecturer Programme of the United States-India Educational Foundation (USIEF), Dr. Arlene M. Plevin, Olympic College, Humanities Division, English Department, Bremerton, Washington (USA) joined as a Visiting Scholar in the Department of English & European Languages, School of Humanities & Languages, Central University of Himachal Pradesh for a period of five months (January-May, 2012). On the request of USIEF, the Central University of Himachal Pradesh had granted affiliation to Prof. Arlene Pelvin, who was involved in short-term teaching assignment in the Department of English & European Languages besides guiding Research Degree Students. She also simultaneously carried out her independent research on “(Re) Movable Place and Community: Sustainability in Exile and the Classroom.”

UGC SANCTIONS CHAIR IN TRIBAL STUDIES IN THE CUHP

The University Grants Commission (UGC) has accorded, in principle, sanction to institute a Chair in Tribal Studies in the Central University of Himachal Pradesh (CUHP). While many universities have specialised centres or departments engaged in teaching and research in the area of tribal studies, there has been a need to anchor a body of knowledge around this segment of population. A timely initiative, this will enable the University to make its intellectual contribution towards the understanding of the issues involved through specialised knowledge base, data base, knowledge pathways for addressing the development processes. To take advantage of the opportunity, the University is in the process of developing detailed proposal for submission to the UGC. The Chair sanctioned by the UGC may provide for financial assistance to cover the expenses on the salaries of a Senior Professor, a Postdoctoral Research Associate, 2-3 Junior Research Fellowships and a few technical assistants. The Chair may also be supported with adequate library, research, contingency, travel and seminar grants.

Library & Information Resources

The University has a functional central library presently located at TAB, Shahpur Campus which is being further developed with adequate number of books, journals and reference material related to the disciplines in which programmes of studies are being offered. Website of the University already provides links to e-resources. These are being enhanced and upgraded to provide e-learning resources. The library has INFLIBNET facility for accessing online journals. The library has books mainly in the subject areas of Computational Biology, Economics, Education, English Language and Literature, Environment Studies & Life Sciences, Hindi Language & Literature, Information Technology, Journalism and New Media, Library and Information Science, Management Sciences, Mathematics, Physics and Material Sciences, Psychology, Social Work &

Sociology, Travel & Tourism Management, besides general reference collections. At present library holdings are 10,103 as detailed below:

1. Books : 9638 (Includes 1239 Hindi books and bi-lingual dictionaries 165)
2. Serial publications : 07
3. Gratis : 458 (05 books in Hindi)

During the year (01-04-2012 to 31-03-2013) 4933 books were purchased and added to the earlier collection of 4705 books making total collection 9638 excluding serial publications and books received on Gratis. Till now the library has received 458 high quality books donated by scholars as on 31.03.2013. Books donated during the year are as under:

Name	No. of Books Donated
Prof. Furqan Qamar Founder Vice-Chancellor, CUHP	80
Prof.B.N.Goswamy Art Historian & Padma Shri & Padma Bhushan Awardee	01
Ms. Navneet, SPA, CUHP Library	01 (Set of 5 Volumes)

All the books are classified and organized according to the Dewey Decimal Scheme of Classification (22nd ed.) and online public access catalogue of the library is being prepared using SOUL Ver-2 Library Software package. Total entries done as on 31.03.2013 in the SOUL Software are 5810 and further work is going on. About 90-100 books are issued every day, which provides a fair idea of very active usage of the library resources. The library

developed its air-conditioned reading hall in a very peaceful area, which provides comfortable reading facilities with Godrej Reflex Library Reading Tables and adjustable Revolving Chairs. This area remains mostly occupied, as most students and research scholars visit the library for self-learning and completing class assignments and research tasks. Besides circulation services, library provides reference assistance.

The statistics in regard to use of books during the year is detailed below:

Students Support Facilities

TRANSPORT FACILITIES

The University has arranged transport facilities, on nominal charge, to ferry students of the University from Dharamshala and Kangra to the Temporary Academic Block at Shahpur. Students residing in the hostels of the University are also covered by the transport facility from hostels to Temporary Academic Block at Shahpur.

HEALTH CARE FACILITIES

The healthcare facilities are being provided through Government Medical College and Government Hospital to cater to elementary and emergency medical care of the students, faculty and staff.

HALLS OF RESIDENCE

Men's Hostel: The University has hired a furnished building for Men's Hostel at Kangra. It is equipped with modern facilities having a capacity of accommodating about 110 students. The building is located in a beautiful and serene environment which is ideal for pursuing serious studies and research activities. The hostel has become functional from January 7, 2012. The facilities for both indoor and outdoor games like table tennis, badminton and volleyball, and a fully equipped gymnasium are being developed. It also has internet facility. The students run the mess of the hostel on cooperative basis having liberty to decide menu of their own choice. The University provides transport facility from hostel to Temporary Academic Block at Shahpur. The inmates of the hostel are required to abide by the hostel rules.

Women's Hostel: The University has hired a furnished building for Women's Hostel at well-located place of Dharamshala. The facility may accommodate about 45 women students of the University. The University has arranged transport facility for the residents to commute between the Hostel and the Temporary Academic Block.

GAMES & SPORTS FACILITIES

The official inauguration of the Sports Club of the Central University of Himachal Pradesh was done on November 2nd, 2012 by the Vice-Chancellor. The Sports Club is having facilities of both indoor & outdoor games including Badminton, Volleyball, Table-Tennis, Chess & Carom.

Career Counselling, Guidance, Training & Placement Activities

❖ UNIVERSITY WIDE

TRAINING AND PLACEMENT CELL

Recognizing the importance attached to corporate relations and placements, the School of Business and Management Science has set up Training and Placement Cell to provide overall supervision and direction to recruitment related engagements and activities taking place in the campus. The Cell seeks to develop strong relationships with companies/organisations all over India through visits/contacts to potential employers. The Cell seeks to apprise the potential employers about the talent available at the School of Business and Management Science, Central University of Himachal Pradesh. The Cell organizes various activities such as industrial visits, guest lectures, mock interviews, industry-academia interface, pre-placement talks, workshops, etc. which give ample opportunities to the industry as well as the students to interact with each other. Simultaneously, the Training and Placement Cell focuses on Personality Development, Skill Development through practical exposure, interpersonal skill and team building, leadership development and Career Counselling, thereby enabling students to become managers with multifarious skills and ability to become world class managers.

BLOOMBERG APTITUDE TEST (BAT) CONDUCTED

On February 13, 2013 the Training and Placement Cell of the University hosted the Bloomberg's team Mr. Bibin Babu, Ambassador – Bloomberg University Relations, who visited CUHP to conduct the "Bloomberg Aptitude

Test" to assess the Financial Knowledge Skills and facilitate the placement of Management Students. This was the first ever online test conducted in the University. Students registered themselves and logged into the Bloomberg's portal to appear for the test. Around 120 students from MBA first and second year appeared for the aptitude test based on eleven different skills and career skill based parameters like Investment Management, Financial Markets, Ethical and Situational Judgment, Economics, Verbal Skills, Maths, Modeling, Corporate Valuation etc. This aptitude test formed the basis on which the students will be called for Job Fairs or Placements or direct placement at Bloomberg on the basis on their BAT score. CUHP is the first University in Himachal Pradesh selected to provide students with the opportunity to take aptitude test developed by the Bloomberg Institute for those interested in considering careers in finance and related industries. The Bloomberg Assessment Test enables students to showcase their abilities in areas ranging from economics and analytical reasoning to situational judgment and verbal skills, to major institutions throughout the world. The exam is open to students who are looking for internship or jobs in areas such as finance or consulting or just want to measure their competitive strengths and weaknesses in a range of parameters.

The test results provide considerably more insights into a student's skills and abilities than a resume. Recruiters can search the database to find students who have strengths in areas of particular interest to them. The students with good scores will be called for the further recruitment process.

NIIT'S "NIITAT" APTITUDE TEST CONDUCTED

On February 18, 2013, NIIT Dharamshala conducted an All India Aptitude Test in the University under the aegis of Training and Placement Cell. Mr. Rajesh Rana, Center Head NIIT, Dharamshala visited the University with his team and briefed the students about the relevance of "NIITAT" in knowing the individual aptitude score on the national basis, a week before the test was conducted. A nominal fee of INR 100 was collected from the students who wanted to appear for the test. Second year students from across the disciplines with the majority of Management and IT students appeared for the test in the anticipation of attaining a fair score at the national level, to suffice their entry to big Job fairs.

Bloomberg Aptitude Test held at TAB, Shahpur in progress.

TRAINING/ PLACEMENT

(a) Summer Placement

1. 5th April, 2012. An industrial visit was organized by the Training & Placement Cell of Central University of Himachal Pradesh. The visit was specially designed for the students of MBA, Semester II, to provide them an insight into the real world. CUHP believes that theoretical knowledge is best when coupled with the

ICSSR sponsored Training Programme for Research Investigators of Himachal Pradesh in progress.

self evident truths, i.e. Mere classroom teaching cannot create wholesome managers. Hence, the aim of the visit was to bridge the gap between the existing theoretical knowledge and the application part. The industrial tour was strategically scheduled so that the regular classroom teaching of the students did not get affected. The beginning of the tour was marked by the flag off from the University campus on the 5 April 2012. Auro Textiles and Paramount Polish Processor Pvt. Ltd. at Baddi, which are dyeing and packaging industries respectively, were visited on the first day. Hero Cycles at Ludhiana was the second industry to be visited. The tour's third day was reserved for visiting Mother Dairy Fruits & Vegetable Ltd. in Delhi. On 8 April 2012, the students were taken to Rave India Pvt. Ltd, a printing company at Gurgaon. The students felt enriched after visiting all the industries.

2. The students of second semester undertook 8-week summer placement programme during the months of June- August 2012. They completed their training in various organisations. The details are as under:

SCHOOL OF TOURISM, TRAVEL AND HOSPITALITY MANAGEMENT

Department of Tourism & Travel Management

1. Summer training of students in prestigious organisations like Thomas Cook, IRCTC, Yatra.com, TWX, Indian Dream Holidays, Air Pax International, Colors of India tours, Paradise Holidays, Air Anand Travels, HPTDC, Adventure and Culture of India, Paul merchants, Ess kay etc.

SCHOOL OF JOURNALISM, MASS COMMUNICATION & NEW MEDIA

Department of Mass Communication & Electronic Media

1. Two Students of MA in New Media Communication III Semester got a One Month Training at the Multi-media Division of Hindustan Times, New Delhi.
2. Three Students of MA in New Media Communication III Semester got a One Month Training in Dainik Jagran, Kangra.

INDUSTRIAL VISIT/EDUCATIONAL TOURS/FIELD VISITS ORGANISED BY THE UNIVERSITY SCHOOL OF BUSINESS & MANAGEMENT STUDIES

1. A few students of MBA third semester attended the National Seminar on "Corporate Social Responsibility: A Gender Perspective" at Lady Shri Ram College, New Delhi on October 26th, 2012. They were accompanied by Dr. Aditi Sharma, Asst. Professor in the department. The Seminar was organised under the event "Comquest 2012" in which many informal events like - Movie making, Ad Mad, Go Green and Amazing Race were also held for participating students. All the six students from CUHP participated in one or more of all the four events and got acclaim for the efforts put in. Aditi Sharma and Parul Kaul showcased a movie made on various CSR initiatives undertaken locally and globally and presented their views from the Management perspective. Shikha Sharma, Nishi, Parul Kaul and Aditi Sharma as a group participated in Ad Mad and demonstrated their creativity in advertising the product given on the spot. Amit Sohal and Gaurav Sharma participated in Go Green and Amazing Race. It gave them a platform to witness an event organized at such a grand level and acquire skills that will surely help them to design, innovate and enhance the standards of such events to be held at CUHP in future.

2. Visit To IIT Delhi and JNU Campuses on 28.01.2013: A selected contingent of management students visited IIT Delhi Campus and Jawahar Lal Nehru University Campus. In IIT Delhi Mr. Allen, Assistant Registrar (Admin.) took the students around the campus. At JNU, CUHP students from MBA interacted with the students from JNU and high tea was hosted by Dr. Rakesh Kumar, Assistant Professor, Department of Chinese Language, School of Language. During the visit the students visited the JNU library and also had a glimpse of JNU campus life. CUHP Students interacted with the fellow students from JNU.
3. Visit to Anna University on 30.01.2013 to 02.02.2013: Fourteen Students of SBMS participated in the "Kurukshetra- 2013"- An International Techno-Management Fest organized by College of Engineering, Guindy, Anna University, Chennai. The events in which the students participated were "KlIdol", "Marketing Madness", "Chaos Theory" and "Peepli Live". A total of 15 students participated in these events. The list of students who participated in "Marketing Madness" is as follows: Abhinav, Abhimanyu, Akash, Ashish, Dheeraj, Gaurav, Gurjeet, Isha, Manik, Monika, Nishant, Nishi, Shikha, Shivam and Vinod. The second event was "The Chaos Theory" in which the following students participated: Abhinav, Abhimanyu, Akash, Ashish, Dheeraj, Gaurav, Gurjeet, Isha, Manik, Monika, Nishant, Shivam and Vinod. Shivam Puri stood second in the Battle of Brands. Amit, Gaurav and Monika who participated in "Peepli Live" a photography event and got the third position in the finals. The Editor of 'The Hindu' newspaper was the judge for Peepli Live event. One of the students, Akash Aggarwal attended the workshop on "Personal Branding and Networking". He qualified the prelims of "The KlIdol". Amit Sohal got the sixth position among 50 student ambassadors who were representing different universities.
4. Visit to Shipping Corporation of India: The students also visited Shipping Corporation of India (SCI) on 02-02-2013 to see port operation and cargo movement. They visited Chennai port and saw the logistic operation of shipping and passenger carrier "SWARAJ DWEED" under the flag of SCI

between Chennai to Andamans. The captain of the ship had taken them around the ship. The regional office of Shipping Corporation of India at Chennai was kind enough to arrange the educational and institutional visit. Mr. Gangadhran Vinod, The Vice President of the SCI, and Mr Madan Singh, the General Manager, SCI Chennai; interacted with the students. The Vice-Chairman had given SCI shipping flag as institutional honour to the Central University of Himachal Pradesh.

Department of Tourism & Travel Management

1. The field study tour was arranged for Tourism students for two destinations i.e. Agra and Jaipur from 26th April to 30th April 2012. The practical tourism field trip is a part of Curriculum of MBA (Travel & Tourism) having two credits. The main motive of the trip was to highlight the concept of tourism in the practical form so that students understand the various stakeholders of tourism industry. The trip followed by the preparation of Project Report by the students and their viva-voce.

SCHOOL OF JOURNALISM, MASS COMMUNICATION AND NEW MEDIA

Department of Mass Communication and New Media

1. The Second Semester students of New Media visited Dainik Jagaran media unit of Kangra District to understand the process of 'news gathering' by reporters and know the editing process carried out in the unit. The Editor-in-Charge of the media unit explained the technicalities and process of editing the news. The students also visited all other departments of the organization. The students were introduced to the staff of other departments in the media unit and they explained to them about their work in the respective departments. The Editor-in-Charge after discussions with students at length, answered all the queries and accompanied them to the printing division. The staff Incharge explained to the students how the plates of each page will be inserted and will take the final form of news paper. The students gained a lot of practical information from the visit. The Dean, School of Journalism, Mass Communication and New Media, Dr. Rabindranth and Dr. Archana Katoch, Faculty Member accompanied the students.

the rally. One Billion Rising Campaign was a call given by the United Nations Organisation (UNO) in which 22 countries all around the world participated. The aim of the campaign was to create awareness among the masses about zero tolerance to violence against women and girls once and for all.

Students of various departments participated in the rally and raised slogans against atrocities and violence against girls. Over 1000 students of different schools, colleges and CUHP of the region participated. The cynosure of the rally was when many locals too joined it as they could identify with the gravity of the problem of domestic violence.

FIRST CONVOCATION OF CUHP HELD

The Central University of Himachal Pradesh held its very first Convocation on 28 February 2013. His Holiness the Dalai Lama was the Chief Guest of the very first convocation. Mr. Arun Maira, the Chancellor of CUHP, Members of the Executive Council, Members of Academic Council, Pro-Vice-Chancellor Prof. Yoginder Verma, faculty members and staff attended the glittering function in the company of dignitaries from various prestigious academic institutions, and the post graduating students. Within a short duration of two years, the University could manage to hold its first Convocation in which 115 students of the first batch i.e. 2010-2012, were conferred degrees. Also a total number of six gold medals were awarded to the students of different streams.

On this occasion the Dalai Lama was also honoured with the honorary degree of doctorate by the Chancellor of Central University of Himachal Pradesh. Chancellor of the University appreciated the efforts of the Vice-Chancellor, faculty members and students to make this grand celebration a success. The Convocation ended with degree holders flying their caps high in the sky together and by passing a message to the outside world that 'yes we are ready for you and we are coming'.

CUHP STUDENTS WORK WITH VILLAGE COMMUNITIES

The Central University of Himachal Pradesh (CUHP) has institutionalised the concept of Community Lab and made it as an essential component of its academic programme. The purpose of Community Lab is, inter alia, to promote continuous interaction and flow of knowledge between the University and the people at the grassroots that would be mutually beneficial to the common people & the students, researchers, and academicians of the University. The introduction of the course on Community Lab enables students to apply theoretical knowledge acquired in the classrooms to real life situations in the community. This provides an opportunity to students to realign their research and capabilities to seek answers to questions critical for improving the well-being of the community. It also contributes to the development of appropriate interventions in various aspects of peoples' socio-economic and cultural life that includes agriculture, health, education, environment, energy, finance, nutrition, labour markets, local level political institutions etc. The baseline data generated shall enable students, among other things, understand what works with

community and what does not, the felt needs of the community, nature of interventions that are required and the areas in which the University can make direct or indirect contribution towards improving the well being of the community. This documentation would be of huge significance to different stakeholders, namely, policy makers, scholars, academicians and agencies engaged in community work.

In this context, the students of the Department of Economics and Public Policy visited the villages falling in Nareti and Preie Panchayats which have been selected under the Community Lab programme. A comprehensive questionnaire has been prepared to collect basic information/data on different aspects of household economy such as family, education, land use pattern, cropping pattern, inputs use, sources of finance, sources of employment, consumption pattern, and so on. The students shall be visiting the selected villages and households on every Saturday and Sunday for data collection.
