

# National Conference on Frontiers in Chemical and Biological Sciences (FCBS-2024)

29 May, 2024

Theme

“Functional Materials for Sustainable Development  
& Chemical Synthesis”

Organized by

Department of Chemistry & Chemical Sciences

In Collaboration with

Himalayan Life Science Society

School of Life Sciences

Central University of Himachal Pradesh, Dharamshala

## About the Conference

FCBS-2024 aims to engage and share ideas among scientists, engineers, and young researchers, who are actively working in the chemical and biological sciences. Various fascinating sessions, from current advances to basic research, will be covered during FCBS-2024. Its foundation is the acquisition and dissemination of knowledge regarding recent developments in chemistry and biological sciences. “Functional Materials for Sustainable Development & Chemical Synthesis” is the main theme of this conference. Chemists and Biologists of all shades will have an unparalleled opportunity to discuss the most recent developments in the field and share their findings with colleagues at FCBS-2024.

**Invited lectures:** The conference shall have invited lectures from eminent and renowned scientists from India and abroad involved in the development of Chemical and Biological Sciences.

Additionally, presentations of the contributed abstracts will be made by **Oral and Poster presentations**. The chance to discuss research findings will be given to young researchers pursuing masters, doctorates or postdoctoral studies.

**Conference Awards:** Note that the panel of experts will decide the Best Paper Awards for the oral and poster sessions. The Young Scientist Award will be given to the eminent scholars (please check conference website for further details).

**Call for Abstracts:** Professionals from academic / research institutions and industry who are actively working in the chemical and biological sciences are invited to participate in the conference and share their research findings & ideas. Authors desirous of presenting papers in the conference are requested to submit the abstract through online mode at <https://forms.gle/iRn4swq1G6XDqpE37> of their papers on or before May 26, 2024, in MS Word format. Abstracts of technical papers should cover details of research work within **250 words**. The detailed guidelines may be checked at conference website: <https://sites.google.com/view/fcbs-2024/>.

## About Dharamshala

Dharamshala records heavy rainfall and is one of the wettest places in India. As the second capital of the state, it serves as the spiritual hub of Himachal. This charming hill station draws visitors from both domestic and foreign travel for a variety of reasons. Both adventure and peace-seeking travellers will find it to be the ideal vacation spot. The city provides a range of experiences, from strolling along the river to hiking up the mountain to discovering hidden gems or trying out adventure sports like paragliding.

Venue: Central University of Himachal Pradesh, Shahpur Campus

## About the CUHP

In terms of program offerings, curricular framework, pedagogy, research, publications, and integration with the working world, the Central University of Himachal Pradesh aspires to become a premier university in the nation, competing with the best universities worldwide. It also wants to provide equitable access to excellence in higher education and research.
