Event Detail Report

On January 20, 2025, Department of Environmental Science celebrated the Central University of Himachal Pradesh (CUHP) Foundation Day with great enthusiasm and intellectual fervour. As part of the celebration, a thought-provoking debate competition was organized on the theme: “**Student debate on CUHP build up the development of Kangra (H.P.) Region.**” The event was held at the shahpur campus in CR10, aiming to foster intellectual engagement and provide a platform for students to express their ideas on the university's role in regional development.

Structure of the Debate:

- Each student (For and Against the motion) presented their perspectives.
- Each participant had provided 3 minutes to present their argument, followed by a rebuttal session.
- The audience was engaged in a Q&A round to make the debate interactive.
- The panel of judges evaluated the students based on content, delivery, and rebuttal strength.

The main discussion points presented by the students in the Contributions of CUHP were:

- Promotion of higher education in remote areas.
- Development of local talent, entrepreneurship and placement opportunities
- Initiatives in environmental sustainability and tourism.

Challenges:

- Limited infrastructure of the the university restricted the development in the region.

- The need for stronger industry-academia collaboration.

Future Prospects:

- Enhancing research on local issues such as agriculture, biodiversity, and cultural heritage.
- Promoting Kangra as a hub of education, tourism and innovation.

The debate saw enthusiastic participation, with students bringing fresh and innovative ideas to the discussion. Thought-provoking points were raised on how CUHP has been a catalyst for regional growth, especially in education and employment. Constructive criticism regarding areas for improvement, such as connectivity and infrastructure, was also discussed.

The Foundation Day debate on "CUHP: Building Up the Development of Kangra (H.P.) Region" was a resounding success. It not only celebrated the achievements of the university but also highlighted its pivotal role in shaping the future of the Kangra region.
