### **Resolution of the 1st Online Placement Meeting with TPSR (Friday, November 28th 2025 Timing : 03:30 pm Meeting of Training and Placement Cell**

After the formal welcome of all the members and TPSR by Director Placement the following agenda items were discussed and resolved in the meeting.

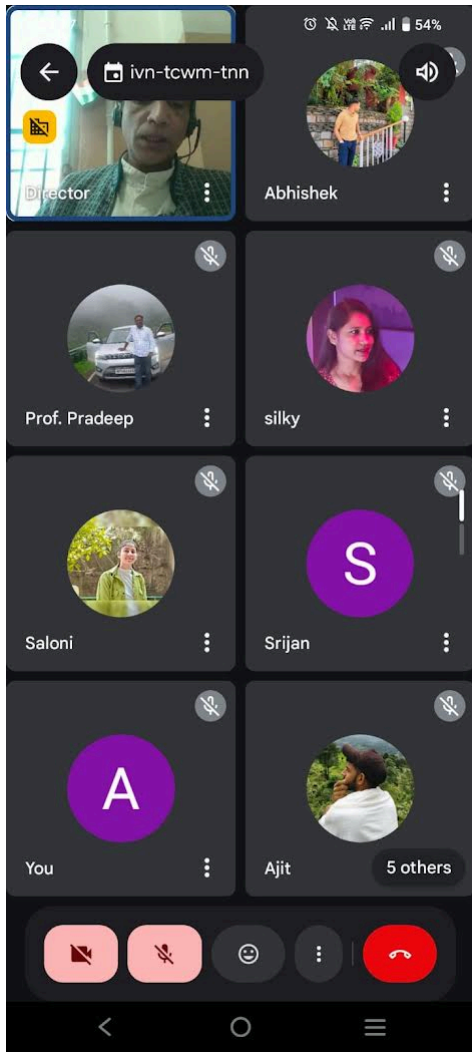

**Dr. Arun Bhatia** shared valuable insights with students about potential career paths in Economics and Travel Journalism. These fields can offer exciting opportunities for those passionate about exploring global cultures, understanding economic trends, and storytelling. **Prof. Pradeep Chouksey** shared his insights on the exciting field of Data Science! With the increasing demand for data-driven decision-making, career opportunities in Data Science are vast and growing. From data analyst to data scientist, machine learning engineer, and more, the field offers a wide range of roles that are both challenging and rewarding.

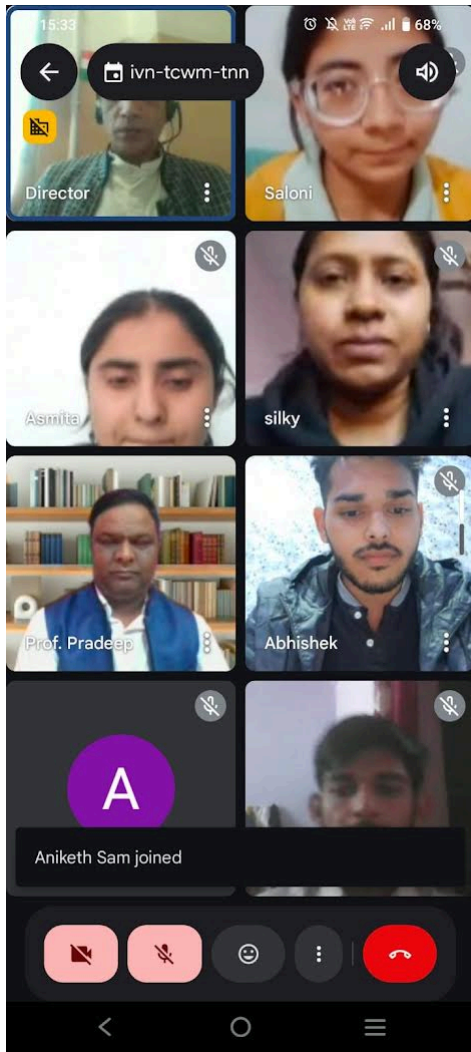

**Prof. Amit Gangotia** shared valuable insights on the training workshops conducted by the department to enhance students' employability skills. The workshops on preparing for interviews, e-placement brochure designing, and LinkedIn profile preparation are particularly useful in today's digital age. Training and Placement cell has ensured the involvement of Training Placement Students Representatives (TPSR) to gather feedback and improve the Placement cell's effectiveness. This collaborative approach can help identify areas of improvement and make the Placement cell more impactful.

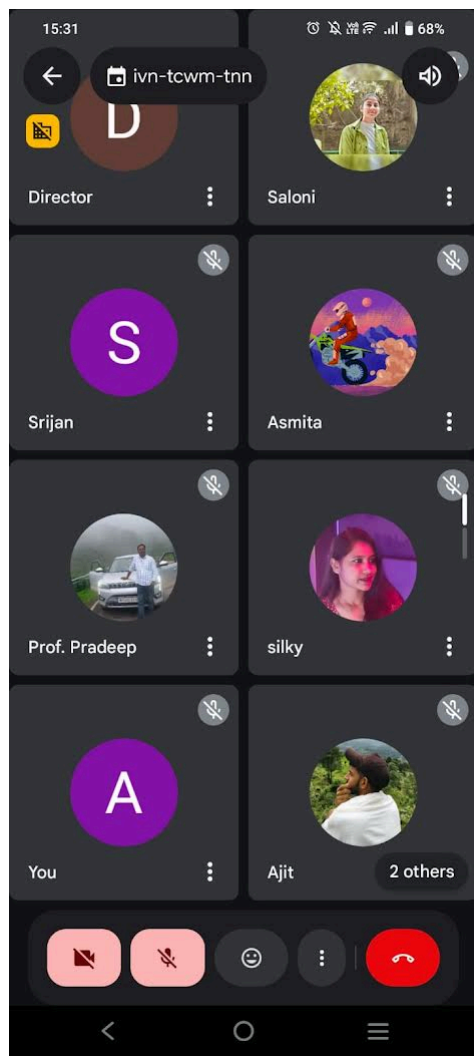

The following points were resolved during the first meeting with the TPSR

- 1) TPSR will coordinate with the TPO of their respective departments /centres for all the placement and training related developments
- 2) TPSR will prepare the e-placement brochures in this academic year in consultation with their respective TPOs of department / centres
- 3) TPSR were provided with the WhatsApp Invitation Link to directly connect with Director /Assistant Director Placement ,CUHP in order to facilitate any opportunities directly to them

Meeting concluded with a vote of thanks to all present.
