REPORT

MAKING OF PAPER ART BY ARTIST RANJAN ROY
Lecture cum Demonstration

Name of the Activity: Lecture cum Demonstration

Topic: Making of Paper Art

Date: May 30, 2023

Venue: Department of Visual Arts, CUHP, Radha Krishna Community Center, Dehra, Gopipur, Himachal Pradesh

Objective of the activity: To explore the scope of creating art with paper by cutting, rolling and folding.

Description:

The Department of Visual Arts, Central University of Himachal Pradesh, Dehra Campus, organized one day Lecture cum Demonstration on 30thMay, 2023. The Lecture cum Demonstration aimed at introducing students to artistic and creative skill of Paper Art making.

An International expert in Paper Art, Mr. Ranjan Roy from Delhi delivered an informative and precise lecture on different properties and possibilities of a humble piece of paper followed by demonstration. Artist created different art forms like flower, Rangoli stencils and other decorative items just by folding, rolling and cutting glaze paper step by step without using scissors and glue.

GLIMPSE OF LECTURE CUM DEMONSTRATION

Dean Dept. of Visual Arts Prof. (Dr.) Nirupama Singh , Mr.Dinesh Pal and faculty members were present during the demonstration. Other attendees include Research Scholars, students of BFA and MFA.

Prof. Nirupama Singh acknowledged the artistic skills of Mr. Ranjan Roy and students were encouraged to explore the field of paper art making. Booklet “Fancy Paper Art” was given to all the students

Outcome: The Lecture cum Demonstration organised by Department of Visual Arts, CUHP proved to be very informative and helpful for students. The event introduced students to a very unique creative ability skill of paper art. It will surely improve creative skills of students and will further explore more possibilities of paper art making. Such activities promote innovative ideas and creativity. Waste paper can also be used to create these art forms. Using Paper to create different decorative items and Stencils also reduces our dependency on readymade plastic articles and thus promote cheap and sustainable idea of creation. Such activities are beneficial for all.

Convenor,

Dr. Nirupama Singh

Head of the Department, CUHP
