

Training & Placement Report

HPKV Business School

SCMS

Central University of Himachal Pradesh

HPKV Business School

- Situated in the lap of majestic Dhauladhar Mountains, the HPKV Business School prepares students for leadership roles, fosters entrepreneurial growth and conducts cutting-edge research for business and societal relevance and benefits with emphasis on human life values.
- The school's strong faculty from academia and industry brings world class standards for research productivity and teaching effectiveness. The school attracts top quality students and engages them in the highest level of hands-on business education.
- It is our continuous endeavor to build a school which transforms students to executives and researchers by enabling them with the might to translate knowledge into skills. It is my privilege to introduce our so very talented, passionate and exemplary students with the ability to transform situations by creating opportunities for sustainable growth.
- A dedicated placement cell spearheaded by the industry background faculties and students, fosters a congenial campus placement environment.
- Our students are currently working with E&Y, PWC, JBM, Ultratech, HDFC Bank and many more.

Our Top Recruiters

About Internship

- To create impetus for skill development, an internship program is organized for every MBA batch in HPKV Business School which fosters hands-on experience for students.
- This training offers an important opportunity to work closely with professionals in corporates and develop knowledge, competencies, and experience related directly to the student's career goals.
- To ensure 100 percent participation of MBA students, the internship is being made a two-credit course.

Internship Report

Batch	Total Students	Internship duration (in days)	Report Submitted (in Percentage)	Best Stipend (in Rs)
